Fire Education and Prevention Conference

The Cost of Fire

The Good

The Bad

The Necessary

West Yellowstone, MT

April 19-21, 2011

The Cost of Fire

Highlights of the Conference

The Good The Bad The Necessary

In times of declining budgets and heightened public concerns about wildland fire, it has become even more important to explain the cost of doing business.

- The cost of implementing fire prevention and education
- The cost of not providing fire prevention and education
- The cost to the ecosystem without fire
- The cost if we do not treat burned areas
- The cost to be Firewise
- The cost of not being Firewise

Learn about the latest research and newest programs:

- Mountain pine beetles and fire behavior
- Forest health and the relationship to wildfire
- Wildland urban interface in the grasslands
- Rangeland education programs
- Innovative fire education
- “Ready Set Go”

Early Bird Registration—\$50
